

RENTAL ASSISTANCE FOR TEACHERS

ATTENTION TEACHERS!

Facebook is pleased to offer rental assistance for teachers and other community-serving professionals at 777 Hamilton Avenue, a new apartment community located in the Belle Haven neighborhood of Menlo Park. Four apartments are currently available to qualifying teacher households or other community-serving professionals for up to three years. Preference will be given to the following group:

1st Tier: Teachers employed by the Ravenswood City School District or a nonprofit school (including a nonprofit preschool) that is located in the area encompassed by the Ravenswood City School District (which includes the Belle Haven neighborhood of Menlo Park, areas of the City of East Palo Alto and the North Fair Oaks neighborhood of San Mateo County).

Please note that 1st Tier schools not represented by current residents will be given priority (Belle Haven Elementary, Cesar Chavez Elementary, San Francisco 49ers Academy, Green Oaks Academy, Eastside College Preparatory School, Ravenswood Child Development Center, Ronald McNair Academy and Mid-Peninsula High School).

PROGRAM BENEFITS

Affordable housing is typically defined as a household spending no more than 30% of their income on housing. This pilot program will offer participants the opportunity to live in the brand-new community of 777 Hamilton while paying no more than 30% of their household income on rent.

For example:

- If a household is earning \$50,000 a year, the monthly rent would be equal to \$1,250 per month.
- If a household is earning \$100,000 a year, the monthly rent would be equal to \$2,500 per month.
- If a household is earning \$150,000 a year, the monthly rent would be equal to \$3,750 per month. This rent amount would exceed market-rate rents for a 1-bedroom apartment, so the program would not be beneficial at that income.

THE FINE PRINT

- This pilot is a five-year program. At the end of five years, the rental assistance will conclude and households who want to continue living at 777 Hamilton will be subject to 777 Hamilton's income and credit standards, among other requirements, at the full discretion of the owner or owner's agent. Program participants will be required to sign a disclaimer and acknowledgement at lease signing.
- Your lease will be directly with the owner of 777 Hamilton (BayFront Investments, LLC) and all adults in the household must be on the lease. The security deposit is between \$500 and \$600, depending on the unit (amount subject to change).
- Each year, program participants will be required to submit a recertification form, updated income information and verification of employment as a full-time teacher in a priority district or school to Hello Housing.
- If household income increases, rents will be increased to equal 30% of the new household income.
- If household income decreases, rents will only be reduced to 30% of the new household income if there is sufficient program funding remaining.
- If a household member is no longer employed as teacher, but works full-time for a nonprofit located in East Palo Alto or Menlo Park or is engaged in a public safety profession, they will continue to pay reduced rents. Households who no longer meet the program priorities will be given reasonable notice and be allowed to move without penalty in the middle of a lease.
- No relocation assistance will be provided to program participants who move at any time during or after the program.
- Rent does not include utilities, trash service or other fees which may be charged to tenants of 777 Hamilton. You will be responsible for making these payments in full.
- Rent may be increased once a year, however rent increases will not exceed 5% per year.
- If you indicate on your application that you are unwilling to accept a 1-bedroom apartment, this decision cannot be reversed after submittal of your application.
- Adding an adult to your lease during the program period may trigger a new income certification and rent calculation based on 30% of the newly calculated household income.
- Applicants will be sorted by Tier and selected at random by lottery.
